# **SPACE TRAVEL IS PROHIBITED!**

## **MAN'S GOALS WILL NEVER BE REALIZED**

SPACE IS FOR GOD'S PLEASURE AND CONTROL, WHILE THE EARTH IS FOR MAN'S WORK.

From the onset of recorded history, man has always had the desire to 'become like God' (his Creator) — to know all things and to take charge of his own circumstances. Even after man is shown God's ways and has been given God's Laws, in every instance and in every Period, man neglects God's ways and he transgresses.

Man's nature is to seek happiness in the things that he sees (carnal things) rather than in the things that are promised to him, by God, which are the things that really matter. Man received his nature from his multiple co-creators, the likes of which, had and have their desires in the things that are seen. Man's inherent nature is to look to his own limited capabilities, as he turns away from: God, the Word of God, and from the unlimited capabilities of God — just as his co-creators did.

The co-creators of man (among the rebellious spirits expelled from Paradise) were once in Paradise themselves, just as the first man and woman (Adam and Eve) were. Upon their expulsion from Paradise, these evil spirits, along with man, were sent down to Earth to dwell and later to be judged. Man's senses, which were provided to him by his co-creators, lost their heavenly pleasures, when man was expelled from Paradise, and these senses are rebelling against the soul for having caused them to lose their heavenly pleasures.

Man's rebelling senses are using man's mind and his flesh to pursue and to receive earthly and heavenly pleasures as a means to try to make up for the lost pleasures of Paradise. Pursuing fleshly desires and pleasures on and off of this earth, in lieu of seeking God's Word and Guidance, is detrimental to: the soul, the senses, and the spirit of man. Through man's creative ability, provided by our Maker (the Holy Spirit), man can imagine and accomplish much, based on our standards, which are limited to our restricted realm of understanding; but man will never come close to unraveling the Mysteries of God, which includes the Earth and Space.

God put man on this earth so man could see his fallen condition and his sinful nature, while being given the opportunity to realize the Goodness and Mercy of God, as God shows man the Key to man's salvation — which is God's Word. This is a Judgment against the god of this world, who was a co-creator of man, as God gives man this opportunity for Salvation. All man has to do, is to accept this invitation from God and humble himself as a child — this releases him from the pride, the arrogance, and the desires that infiltrate his mind due to the abominable tendencies placed in man, by the influence of our rebellious co-creators.

Once the rebellious evil spirits and man were expelled from Paradise, God placed a veil of separation between the upper and lower levels of heaven. The Earth and all that we will ever be able to see are in a lower level. This veil denies the expelled souls (spirits and humans) from again having access to the upper levels. The rebellious spirits, which include Satan, will never again be given access to the upper levels of heaven, but the souls of mankind do have the opportunity to receive a home in heaven's upper levels, which include Paradise; if man, during his short lifespan on this earth, will strive to acquire the true Knowledge of God, and if he will obey God's Laws.

Space is for God's Pleasure and for His manipulation only. Biblical references and other Scriptures reveal that God's plan and purpose for man, is for man to dwell on Earth and for him to constantly seek God in spirit — not to try to deviate from God's earthly plan for us.

The heavenly home that God has in store for those of us who are obedient to Him cannot be arrived at through our own petty efforts at space travel, nor can we acquire any home outside of Earth through our own efforts.

“And these became a curtain of a spirit. From the aeon above the effluences of light, just as I said already, a drop from the light and the spirit came down to the lower regions of the Almighty of chaos, so that he might reveal their molded forms from that drop, because it is a judgment on him, the Prime Begetter, who is called ‘Yaldabaoth’.” – TCJ V: 243-N.
